

# Project Learning Tree GreenWorks! Grants

Up to \$2,000 available  
apply by Sept. 30<sup>th</sup>

Do you have an idea for a community garden, habitat restoration, recycling, or energy conservation project? Need funds to implement it? Apply for a GreenWorks! grant from Project Learning Tree® (PLT).

PLT GreenWorks! grants are awarded to schools, youth groups, and non-profit organizations for students to conduct environmental neighborhood improvement projects. These “learn-by-doing” projects combine academics with community service. They partner students with local businesses and community organizations and provide opportunities for student leadership.

Since 1992, PLT has distributed more than \$1million to fund 1,000 environmental projects in communities across the country.

## Application Requirements

Grants are available in three award levels: 1) the traditional PLT GreenWorks! grant (up to \$1000), GreenWorks! grant for ClimateChangeLIVE participants (up to \$1000), and GreenWorks! grant for registered PLT GreenSchools! (up to \$2000). To qualify for any of the PLT GreenWorks! grants you must meet the following grant requirements:

- Applicants must have attended a PLT workshop
- The proposed project must involve service-learning
- The proposed project must exemplify student voice
- The proposed project must involve at least one community partner
- The proposed project must secure at least 50% matching funds (in-kind acceptable)
- The proposed project must be completed in one year

### Additional requirements:

#### Grants for ClimateChangeLive Participants:

- Applicants must have participated in at least one ClimateChangeLIVE webinar or event

#### Grants for Registered PLT GreenSchools!:

- Applicants must be employed by a school (public, charter, or private)
- Applicants must be registered on the PLT GreenSchools! website (It's free!)
- Applicants must have established a Green Team
- Applicants must have completed one or more of the PLT GreenSchools! Investigations
- The proposed project must be based on the findings of one or more of the PLT GreenSchools! Investigations

The proposal deadline is September 30<sup>th</sup>.
