

## My Place

1. Name a place in your community that is special to you.
2. What makes this place unique or special to you?
3. When and how did you discover your place?
4. What are the natural and built components of your place?
5. What do you do at this place? Or what have you done there?
6. Do you think your place will change in the future? Why? How?
7. Do you want it to change? Why or why not?
8. How would you feel if your place disappeared?
9. How does your place fit into the rest of your community?
