

Neighborhood Design Questionnaire

1. What is the name and location of your neighborhood?
2. When was your neighborhood established?
3. What are the primary modes of transportation?
4. What types of residences are there? (e.g., apartments, single-family homes, townhouses, mobile homes, farms)
5. What other types of buildings can you find? (e.g., office buildings, public buildings, shops, university buildings, restaurants)
6. Are there trees and green spaces in your neighborhood? If so, describe those areas.
7. What types of habitat are available for wildlife (e.g., open water, residential area, forest)?
8. Do you feel safe walking around your neighborhood? Why or why not?
9. What else do you observe about your neighborhood?
10. Please circle your responses.

To get to I could

School	walk	take public transportation	ride/drive in a car	bike
Shopping	walk	take public transportation	ride/drive in a car	bike
Restaurants	walk	take public transportation	ride/drive in a car	bike
Library	walk	take public transportation	ride/drive in a car	bike
Recreation	walk	take public transportation	ride/drive in a car	bike

To get to I usually

School	walk	take public transportation	ride/drive in a car	bike
Shopping	walk	take public transportation	ride/drive in a car	bike
Restaurants	walk	take public transportation	ride/drive in a car	bike
Library	walk	take public transportation	ride/drive in a car	bike
Recreation	walk	take public transportation	ride/drive in a car	bike
