

# Animal Count STUDENT PAGE

NAME \_\_\_\_\_ DATE \_\_\_\_\_

Look and listen for animals and signs of animals. Write down each kind of animal or draw a picture of it. Count how many of each kind you find.

Animal or Animal Sign	How Many?

## CAREER CORNER

**ORNITHOLOGISTS** (or-nih-THAW-luh-jists) are scientists who study birds, bird habitats, and bird behavior. They often conduct surveys – like this one – and record and report on bird activity.

I LOVE MY  
**GREEN JOB**!
