

AMERICAN SIGN LANGUAGE CARDS

These are a few signs related to trees and nature. If you are interested in more, visit signasl.org to access a free online American Sign Language dictionary.

tree

Make a tree with your right hand and shake it back and forth.

animal

Put your fingertips on your chest and rock your hands back and forth.

bug

Put your thumb on your nose and bend and straighten your first two fingers a few times.

bird

Open and close your thumb and index finger twice.

rain

Move your hands downward while opening and closing your fingers.

wind

Sway your hands back and forth - the stronger the wind, the faster the movement.
